

CHEMICAL AND INDUSTRIAL TANKS

WE PROVIDE DESIGN, ENGINEERING, AND ON-SITE CONSULTATION FOR THESE PRODUCTS

POLYETHYLENE & FILAMENT WOUND FRP TANKS

- 20 - 20,000 Gallon Poly & Up to 75,000 Gallon FRP
- Single, Double Wall and Dual Containment
- Closed Top, Open Top and Conical, Dish or Flat Bottom
- NSF and FDA Approved
- Up to 5 year warranty

ISO9001:2015

STEEL & HIGH ALLOY TANKS

- Up to 250,000 Gallon
- Atmospheric and ASME Certified Pressure Vessels
- NSF and FDA Approved
- Can build to UL, API, AWWA, ABS, ASME, NYC, ATA, ULC standards

FABRICATED POLYETHYLENE AND POLYPROPYLENE TANKS CABINETS & FUME HOODS

TANK, PIPE & VALVE HEATING

FULL PRODUCT RANGE FOR ANY HEATING APPLICATION:

- Immersion and Circulation Heaters
- Heat Trace Products
- Hot Water/Oil Steam Boilers
- Insulated & Heated Tank Blankets
- Class 1, Div 2 Heaters
- Corrosion Resistant Heaters
- Tank Heaters
- Heated Valve Covers
- MI Cable
- Heat Transfer Systems
- Premium Warranty
- Controls and Sensors

CHROMALOX
Advanced Thermal Technologies

INDUSTRIAL MIXERS

Custom engineered mixers for any size application with 3 year factory warranty

PUMPS

Mag Drive, Seal-Less pumps for industrial chemical, refrigeration, and liquefied gasses.

SENSORS & CONTROLS

Industrial measurement sensors and controls for flow, level, pressure and temperature.

OIL/WATER SEPARATORS

Custom steel and stainless steel tanks. Above ground and below ground oil water separators. Plate clarifiers.

INSTRUMENTS

Gas detectors. Handheld, portable, and stationary gas analyzers. Biogas Analyzers

PIPING COMPONENTS

CBC Lok, CS Lok compression fittings & fully interchangeable with Swagelok, Parker A-Lok & Parker CPI. Quick disconnects. Ball/Plug/Needle Valves.

LANDFILL PRODUCTS & EQUIPMENT

POLLUTION CONTROL SYSTEMS AND EQUIPMENT

LANDFILL PRODUCTS

- SurePump Wheeled Sump Drainers
- UL Listed Control Panels
- Flow and Level Monitoring & Control
- In Line Booster and Submersible Pumps
- Solar Pumps
- Leachate Collection and Recirculation

LANDFILL GAS SOLUTIONS

- LTL BioGas Flares
- Solar Spark Vent Flares
- Passive Vent Flares
- Pneumatic Pumps
