# Powered Conduit Bender

**LIVE DEMO**

**5/15/2020**

# Presenter

- **Kyle Madson**
  - Director of National Accounts  
ECM Industries

**ECM** INDUSTRIES

# Agenda / Demonstration

- Overview of ECM Industries
- Live Demo - Powered Conduit Bender
  - **It is durable and lightweight** only weighing 35lbs, it's easy to carry around on a jobsite or up and down stairs.
  - **Effortlessly bend conduit** 1/2" - 1" EMT, Rigid, IMC and EMT aluminum and 1/2" - 3/4" PVC-Coated Rigid conduit, all on a single shoe!
  - **It is powered by almost any standard pipe threader** or with our PT2000 threader as a package deal (B1000PT).
  - **It bends conduit vertically or horizontally** and makes performing precise bends easy and repeatable.

# Who is ECM Industries?

- **ECM Industries, LLC** is a global manufacturer and supplier of electrical products for over 50 years.

# ECM - Electrical Construction and Maintenance

## Connections

Variety of connectors,  
splicer-reducers and lugs

## Terminations

Used to attach wires to  
studs or posts

## Whips

Fixture whips completely  
assembled for easy install

## Conduit Bending

Electric, mechanical,  
hydraulic and hand benders

## Pumps and Cylinders

Hydraulic cylinders, hand,  
foot and electric pumps

## Conduit Fishing

Hand and powered cable  
pullers and blower systems

## Hole Making

Tools, grommets, seals and  
insulators

## Hand Tools

For superior performance  
on every job

## Test Instruments

Make sure electrical is  
properly installed

## Cable Ties

Large variety of material,  
color, style and size options

## Staples

A complete line of staple  
and fastening solutions

## Tape

Electrical, friction, liquid,  
spray or self-sealing

## Wire Management

Clips, Clamps, Heat Shrink,  
Loom, Cable Wraptor and  
Accessories

## Cordsets

Heavy duty and super  
flexible power cords

## Work Lights

The best in innovation,  
durability and versatility

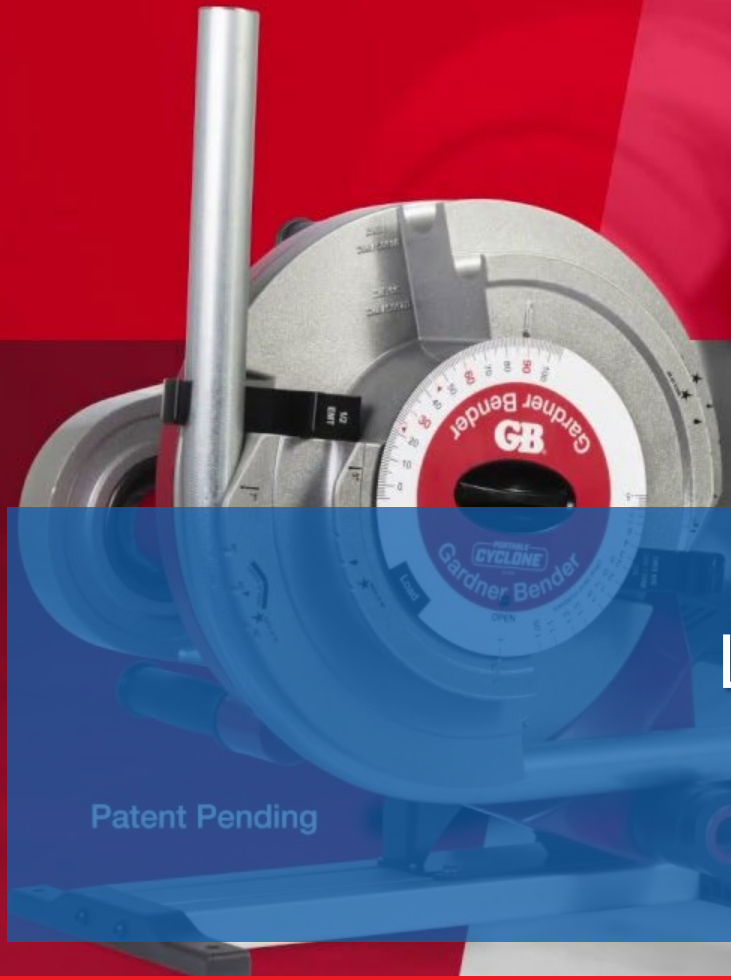

## Temporary Lighting

Portable, lightweight and  
easy to install

# PORTABLE **CYCLONE**<sup>®</sup>

Live Demo

Patent Pending
